The Heart of the Home

The Kitchen has been meticulously designed with both culinary excellence and entertaining in mind. A striking feature is the beautiful blue AGA, equipped with three ovens, dual gas and electric functionality, a hot cupboard, and a hot plate. Waist-height units to one side cleverly divide the kitchen from the dining space while

maintaining an open, sociable connection. A breakfast bar, crowned with a raised curved glass surface, provides an elegant division for guests, with ample work surface beneath. High-end integrated appliances include a Fisher & Paykel double drawer dishwasher, a fridge freezer, and a dedicated wine fridge, all seamlessly incorporated. Luxurious leather-finish granite work surfaces provide a tactile and durable workspace, while a large pantry cupboard offers abundant storage. A classic Belfast sink sits beneath a window, offering pleasant views to the front of the property.

Kitchen & Dining

The adjoining Dining Area is a spacious and inviting zone, perfect for hosting memorable gatherings. Double doors provide a seamless transition to the large entertaining patio area beyond, effortlessly blending indoor and outdoor living.

Off the kitchen, a handy Utility Room offers further practicality. It features a butler sink, dedicated space for a washing machine, additional storage cupboards, and a charming stable-style door leading directly to the front driveway.

An Impressive Living Sanctuary

From the open-plan kitchen area, three thoughtfully placed oak steps lead down into the truly impressive Living Area. This is a space designed to inspire, with dramatic vaulted ceilings featuring exposed oak beams and gracefully curved walls that welcome you into this inviting yet grand sanctuary. Large, bespoke bay-shaped windows elegantly frame views across the garden and allow natural light to pour in. Further enhancing the connection with the outdoors, double doors lead to the entertaining space in the garden, flanked by floor-to-ceiling windows on either side. A distinctive circular window on the opposite wall adds another touch of unique architectural flair. As you stand in this magnificent room and look back towards the entrance, you'll appreciate the stunning oak and glass Mezzanine level that elegantly presides over the kitchen and dining space, hinting at the wonders of the first floor.
