As you arrive, a golden gravel driveway greets you, framed by a pretty stone wall that retains a raised lawn. The detached garage sits neatly to the side, and a storm porch provides a welcoming entrance. Stepping through the sleek anthracite front door, you are greeted by a welcoming hallway with wood flooring. A staircase rises to the first floor, while doors lead to the lounge, cloakroom/WC, kitchen, and dining room.

The living room is a bright and airy space, illuminated by a window to the front and sliding doors that lead to the sunroom at the rear. A chimney breast with an exposed brick inset and a slate base awaits a log-burning stove, promising cosy warmth on chilly evenings. The sunroom, with its tiled floor, is the perfect spot to relax and enjoy views of the private rear garden, with sliding doors providing direct access to the outside.

The kitchen is a testament to modern design, featuring stylish grey gloss units, wood-effect surfaces, and a window overlooking the garden. White tiles adorn the walls above the worksurfaces, and integrated appliances include an electric oven, induction hob, fridge, and freezer. A doorway leads to a spacious utility room, which houses the Worcester boiler and includes brand new washing machine, tumble dryer, and dishwasher. From here, a door opens into the conservatory, a lovely space with a tiled floor and a ceiling fan. Double doors from the conservatory open out onto a newly paved terrace, creating an ideal space for entertaining.

The dining room, located at the front of the house, features a window overlooking the frontage and new cream carpeting, which has been fitted in the lounge, on the stairs, and in all three bedrooms.

Upstairs, the landing leads to three bedrooms; two double and one single. Two of the bedrooms feature fitted wardrobes, offering excellent storage. The newly fitted family bathroom is a modern sanctuary, with a white three-piece suite, including a panelled bath with an electric shower over, a pedestal sink, and a WC. Grey tiles line both the floor and walls, completing the contemporary look.
