As you step through the front door, you're greeted by an immediate sense of openness. The impressive open-plan living and dining space draws you in, with natural light pouring in from a large window at the front. Your eyes are then pulled toward the rear of the room, where a recently extended sunroom creates a spectacular light-filled haven. Here, bi-fold doors span the width of the room, completely dissolving the boundary between indoors and out. Additional skylights above create a dramatic, airy feel, making this the perfect space for both quiet evenings and lively entertaining.

This entire living area is designed to make the most of the magnificent landscape. The sunroom offers awe-inspiring panoramic views over rolling fields and distant hills, where goats, sheep, and cows from a neighbouring smallholding graze peacefully, creating an ever-changing natural painting. Step through the bi-fold doors onto the wrap-around terrace, a space that feels like an extension of the living room itself. From here, you can ascend to a raised decked area, the ideal spot to relax with a morning coffee or an evening glass of wine as you soak in the spectacular scenery.

Flowing seamlessly from the sunroom is a modern kitchen, fitted with glossy tiled flooring and timber cupboards. With a composite sink, ample work surface, and space for a washing machine and dishwasher, it's a practical and stylish space. A glazed door and a large window offer further views of the rear garden, ensuring the natural beauty is never far from sight.

Beyond the kitchen, a private hallway leads to the sleeping quarters. You'll find two generous double bedrooms and a single bedroom, all designed for comfort and tranquillity. A sleek, neutral-toned bathroom completes this wing, featuring a corner shower, a panelled bath, and tiled walls and flooring.
