Main Particulars

Belmont is an exceptional and beautifully maintained three-bedroom detached dormer bungalow, occupying a truly delightful and elevated position within the stunning surroundings of the Stiperstones Area of Outstanding Natural Beauty. This property offers unparalleled, open-aspect views to most angles, with the majestic Stiperstones itself forming a dramatic and breathtaking backdrop.

The village benefits from a popular pub and a village shop, and the property is conveniently located approximately 3 miles from the larger village of Minsterley, which offers a variety of local amenities. Furthermore, Shrewsbury, with its excellent railway and road links to the Midlands and North Wales, is situated approximately 13 miles to the North East. Belmont is surrounded by large, mature gardens approaching approximately one-fifth of an acre, perfectly set within this wonderful area of outstanding natural beauty.

The accommodation is spaciouly arranged and begins with a UPVC glazed entrance door, located to the rear of the property, which opens into the Entrance Hall featuring laminate wooden flooring and a staircase rising to the first floor landing.

The well-proportioned Lounge is fitted with a UPVC double glazed window which offers a beautiful open outlook over local farmland and countryside. This room is enhanced by coving to the ceiling and a substantial brick inglenook housing a cosy wood burner, complete with a raised stone hearth and an oak mantle above.

Double French doors and a step down from the Lounge lead into the delightful Conservatory/Sun Room, which features wooden laminate flooring, a low brick wall, UPVC double glazing, and a polycarbonate roof with a sliding patio door leading to the rear garden. A particular feature of this room is the stunning open aspect views over the garden, local farmland, and the countryside beyond.

The Kitchen/Breakfast Room is fitted with a range of modern eye-level and base units complete with built-in cupboards and drawers, alongside fitted wooden worktops incorporating a one and a half single sink drainer unit with a mixer tap. Integrated features include a built-in Neff electric oven and grill, space for a fridge freezer and dishwasher, and a focal feature Stanley oil-fired range cooker with a solid hot plate, which efficiently provides both central heating and hot water to the property, with an extractor fan situated above. The room is finished with a ceramic tiled floor and benefits from two UPVC double glazed windows.

A part glazed door leads from the kitchen into the practical Rear Porch/Utility, which includes a stainless steel single drainer sink unit with a mixer tap, work surface, base units, and space for a washing machine and freezer. This room features ceramic tiled effect flooring, UPVC double glazed windows, and a polycarbonate roof, again enjoying a beautiful aspect over the gardens and surrounding farmland. A further UPVC double glazed door with windows to the side provides access to the rear of the property.

Also accessible from the Entrance Hall is the separate Dining Room, which has a UPVC double glazed window to the front and coving to the ceiling.

The ground floor also accommodates Bedroom One, which benefits from a lovely aspect over the local countryside via a UPVC double glazed window and features a

comprehensive range of fitted pine floor-to-ceiling wardrobes running the complete length of one wall.

The Downstairs Bathroom includes a panelled bath, pedestal wash hand basin, WC, and a separate glazed shower cubicle with electric shower, set within fully tiled walls, and completed by two UPVC double glazed windows.

The staircase from the Entrance Hall rises to the First Floor Landing, which provides access to a built-in airing cupboard housing the hot water cylinder, and shelving.

The first floor offers Two Further Good-Sized Bedrooms. Bedroom Two features a UPVC double glazed window and useful access storage into the eaves.
