Main Particulars

Prepare to be charmed by 35 Oak Meadow, an attractive and traditionally styled semi-detached family home that occupies a pleasant position on the peaceful outskirts of Bishop's Castle. This property offers a well-proportioned layout and represents an excellent opportunity for a buyer looking to put their own cosmetic stamp on a residence, complete with delightful, far-reaching views across its own rear gardens to the rolling fields beyond. From its pretty, welcoming frontage to its highly functional layout, it represents a versatile option for those seeking a practical family home with potential.

Entrance hall | Downstairs cloakroom | Lounge | Kitchen | Dining room | Side passage | Three bedrooms | Family bathroom | Single garage | Driveway

The property opens into a practical and welcoming entrance hallway, which serves as a central hub for the ground floor and features a deep, handy integrated cupboard that is ideal for storing shoes and coats. Sitting tucked away to your right, a downstairs cloakroom with a WC and vanity basin is naturally lit via an obscure glazed window to the front elevation. Accessed to the left of the hallway, the formal lounge is a well-lit and comfortable room featuring fitted carpets and a large window framing the front aspect, while an electric fire, nestled within a marble surround with a timber mantle, provides a traditional and comforting focal point.

The kitchen is situated to the rear of the property and is fitted with a classic array of white wall and floor-mounted units and drawers. It features a cream composite sink with a mixer tap, an integrated fridge and freezer, and is finished with black work surfaces and a black tiled splashback. A black gloss tiled floor flows from the kitchen into the adjacent dining room, creating an easy sense of continuity. The dining room itself features a large window that overlooks the rear garden and the fields beyond, offering a lovely, natural backdrop for family meals. A door from the kitchen leads into a practical, enclosed side passage, which features doors to both the front driveway and the rear garden, alongside direct internal access into the garage.

Ascending the turn staircase from the hall, the first floor layout offers three bedrooms and the family bathroom, with all bedrooms finished with practical fitted carpets. Two of the bedrooms are situated to the front elevation, enjoying views over the quiet neighbourhood frontage, while the final bedroom sits to the rear, serving as a peaceful space that gazes out over the garden and adjacent fields. Serving the upper level, the main bathroom is fitted with a traditional suite comprising a panelled bath with an electric shower over, a WC, a pedestal hand basin, and an obscure window to the rear.

To the front, the property enjoys a pretty frontage with a recently laid, brick-paved driveway offering comfortable off-road parking, flanked by a lawn and a colourful planted border. The attached single garage boasts a modern electric roller shutter door and houses the property's central heating boiler. The rear garden provides plenty of space to enjoy the outdoors, starting with a large terrace area that is well-suited for al fresco dining. From here, a central pathway guides you to the bottom of the garden, flanked on either side by lawns, while established trees at the boundary inject shape and natural privacy to the plot.
